

SEVENTH WARD SPEAKS

IT'S THE ORIGINAL BIG SEVEN SOCIAL AND Pleasure Club and it's the whole, entire Seventh Ward. The club gives the neighborhood a community day. We try to have a family day and we want everybody to be a part of what we do. I don't believe nobody deserves my parade no more than my people in the Seventh Ward.

You can really cut the rug doing this. The crowd's jumping. The band's jumping. You can tell when the band's having a good day because the crowd will be working it out. You'll be rolling. This is exactly what it's all about. This is the area. This is the culture.
